POSTKARTE

Lincoln, High Street. The main street of the city, about $\frac{1}{2}$ miles long. Where the Obelisk stands is the High Bridge. This structure is nearly 600 years old and still preserves the houses on one side as in mediæval times. Spanning the street is the Stonebow, formerly the principal gate of the city, now used as the Guildhall.

(FOR ADDRESS ONLY.)

Printed in England.
